

## Safety Rules and Recommendations to use the Cabo Rojo National Wildlife Refuge Bike Trail

1. Maintain yourself on the trail at all times and be aware of signs.
2. Be aware of trucks and authorized vehicles that might be in the area.
3. For safety purposes you must not ride alone in the trails.
4. Bring necessary equipment to repair flat tires (plant spines).
5. It is prohibited to litter and collect plants or animals.
6. Do not feed, harass or come near present wildlife.
7. Keep noise levels at a minimum. If you want to see wildlife, keeping quiet is the best way.
8. Visitors are welcome to enjoy wildlife observation and hiking, however hunting is not permitted.
9. For safety purposes do not go near salt ponds.
10. Bring water and sun block with you.
11. Use safety equipment (like helmet, sunglasses, gloves, protective clothing...)
12. Refuge closes after daylight hours.
13. Trail begins at the Combate Beach Parking area. There are 3 entrances, but not all have a parking area.
14. Trail includes “geocaching points” or treasure points for GIS lovers. To locate points visit [www.geocaching.com](http://www.geocaching.com)

**Thanks for your cooperation and enjoy our environment**
